

Rosen Sunvisor for
Piper Mirage - Meridian
STC SA01625SE FAA/PMA

Rosen Sunvisor Systems, LLC announces the introduction of their latest monorail sunvisor system for PA46-350P Mirage (serial number 4636022 and above) & PA46-500TP Meridian (all models).

- Sleek chrome rail conforms perfectly to the aircraft interior geometry and provides the platform for unlimited lens positioning.
- Rosen's patented 3-Axis split clamping block allows the lens to slide fluidly around the entire rail length and lock securely into place.
- Optically pure lens material blocks 99.9% of dangerous UV light (A/B) without compromising the pilots view of surrounding traffic.

Experience unparalleled safety and comfort with Rosen Sunvisors!
