Dear Mr. Hanson:

The Federal Aviation Administration (FAA) has completed its evaluation of your drawing list update, submitted by your letter dated February 13, 2008. This update reflects several drawing changes and minor design changes to Supplemental Type Certificate (STC) SA00871SE, which installs a sunvisor system on various Cessna aircraft.

The FAA finds that you have satisfactorily demonstrated compliance with the applicable certification regulations. Accordingly, the FAA approves Rosen Sunvisor Systems, LLC, Master Drawing List 9050-0118-013, Revision E, dated January 29, 2008, for use with STC SA00871SE.

If you have any questions, please contact Mr. Andrew Guion of the Cabin Safety and Environmental Systems Branch at (425) 917-6429.

Sincerely,

P Philip L. Forde
