Dear Ms. Skidmore:

This letter is in response to your request to include Cessna models 120 and 140 on the approved model list (AML) for Supplemental Type Certificate (STC) SA00871SE, on April 7, 2010. The Master Drawing List (MDL), 9050-0118-013, Revision G, dated 4/5/10, was updated to include changes for these additional models.

We have completed our assessment of the AML and find that they do not conflict with previously demonstrated compliance.

If you have any questions, please contact me at (303) 342-1084.

Sincerely,

Melissa Sandow
Program Manager
