Dear Mr. Hanson,

The Federal Aviation Administration (FAA) has completed its evaluation of your drawing list update as stated in your letter dated May 29, 2008. This update reflects several drawing changes and minor design changes for Supplemental Type Certificate (STC) SA5139NM, which installs a sunvisor system on a King Air.

The FAA finds that you have satisfactorily demonstrated compliance with the applicable certification regulations. Accordingly, the FAA approves Rosen Sunvisor Systems, LLC. Master Drawing List (MDL) RBKA-NSA-00, Revision B, dated November 9, 2007, for use with STC SA5139NM.

If you have any questions, please contact Mr. Patrick Gillespie of the Cabin Safety and Environmental Systems Branch at (425) 917-6429.

Sincerely,

 Victor W. Wicklund
